The mature **NGS LISTED GARDENS** offer plentiful seating, herbaceous borders, rockery, shrubs, trees and fascinating river system. The Sensory Garden has wind, water and colourful features and a performance area with the giant Story Teller's Chair.

The Bumble Bee Garden hosts our hugely popular **CRAZY GOLF** area – available at a small extra charge.

WAREHAM BEARS - Come and meet the famous Wareham Bears and watch the adventures in their new home. Quarrying, fishing, shopping, what will they get up to next?

Our **TEA ROOM** offers hot & cold drinks, homemade cakes, snacks, lunches, teas and ice cream. There's a great range of souvenirs and gifts in our **SHOP**.

MODEL RAILWAY - drivers of all ages are welcome to enjoy the sensor driven multi track layout with illuminated night-time running. Thomas is busy most days and we have our own miniature Underground line. Look out for the Milkshake Line and new Rolling Stock Display.

1950s SCHOOL AREA - why not be the teacher? Sit at an old desk and get the flavour of a 1950s education.

BERYL DADE DOLLS' HOUSES Each illuminated miniature dwelling has characters, furniture and fittings that tell their own story.
